

# ROD CONDER - SOUND RECORDIST

---

## PROFILE

Highly experienced and respected sound recordist with 36 years in the audio industry, spanning feature films, television, and documentary production. A skilled professional in location sound, Rod brings an exceptional ear for detail and a deep mastery of audio capture techniques using boom microphones, wireless systems, and multitrack field recorders.

Rod was a member of the sound team on *The Thin Red Line*, which received an Academy Award nomination for Best Sound, a testament to his commitment to excellence and storytelling through sound. Renowned for calm under pressure, technical precision, and seamless collaboration with directors, producers, and crew, Rod consistently delivers pristine audio in even the most demanding production environments.
