Professional Statement

With over 20 years of experience in the film industry, I bring a deep technical expertise shaped by the evolution from 16mm and 35mm film to today's cutting-edge digital technologies. As an Australian-Italian professional based in Queensland, I've built my career on adaptability, innovation, and close collaboration with talented creative teams. My passion for focus-pulling, combined with a strong technical foundation, ensures that every project I contribute to meets the highest standards. If you're looking for a skilled and dedicated collaborator for your next production, let's connect and bring your vision to life.

Work History
