

Bradley “Brad” Diebert

Production Designer | Art Director | SPFX Technician | Set Construction | Props | Filmmaker

Professional Profile

Bradley “Brad” Diebert is an Australian film industry professional with more than 30 years of experience across feature films, television series, commercials and independent productions.

His career spans major Hollywood studio productions, Australian feature films, television and independent cinema, with extensive expertise in production design, art direction, practical effects, props, construction and on-set problem solving.

Brad is known for his calm leadership style, practical filmmaking knowledge and ability to deliver creative solutions under pressure.

For projects in need of a seasoned and proactive On Set Art Director with a truly practical approach, Brad Diebert provides three decades of filmmaking insight, technical skill, and a dedicated focus on achieving premier creative outcomes within established budgetary and scheduling parameters.
