The film and television industry has my heart, and I have been privileged to work on over 25 productions since entering the industry in 2022. I'm an experienced swing driver with a HR licence, shuttle driver, cast driver and unit assistant. Prior to working in film and television I completed a Bachelor of Business Management at QUT and worked as an Area Manager in the non-profit retail sector.

FILM VEHICLE SUPPLIER

In 2025 I took a leap and started a business. Say hello to That's Showbiz Baby, supplying productions with shuttle busses and AD/producers office truck. Based on the Gold Coast, I'm dedicated to maintaining a quality fleet and growing within the industry. Please reach out to discuss booking and availability.
