## PROFILE

I am a dedicated and versatile filmmaker with a deep passion for storytelling and visual expression. Born and raised in Portugal, I combine a strong academic foundation in cinema with hands-on experience in film and television production. I perform well in dynamic environments, bringing adaptability, strategic problem-solving, and attention to detail to every project. Collaboration, perseverance and commitment define my work ethic. I am always ready to take initiative, overcome challenges, and contribute with a positive, solution-oriented mindset.
