I am a freelance Cinematographer with 20+ years experience shooting Documentaries, Commercials, Corporate Films and Reality TV. Based in SE QLD – Australia, but available world-wide for projects large and small. My visual talent and creative skills, have sent me shooting across the country and around the globe, working professionally in over 55 countries. With a wild imagination, a rock solid work ethic and a passion for pretty pictures, Ian Mac brings a big bag of skills and a well trained eye to each and every shoot.
