SCRIPTED PRODUCTIONS &
DEVELOPMENT PATHWAYS

MORE ABOUT ME:

Motivated and people-focused film and television production professional with 10+ years of industry experience. Deeply career-driven and committed to ongoing learning, with a lifelong passion for meaningful, illuminating storytelling. Values collaboration, mental health awareness, human connection, and equity within creative spaces, while balancing the realities of life and work in production. Focused on continued leadership development, with the goal of progressing into Producer or Creative Producer roles and supporting others as they begin their careers in the industry
