OUTSIDE BROADCAST, EVENTS, PROMOS & TV NEWS

Long lens and handheld camera operator with over 25 years of experience in music, sports, and corporate events across Australia. Specialized high-speed camera operator/cinematographer for events including The Goodwill Games (2004), where 35mm archive film was used for The Turner Network (US).

Specialist Jimmy Jib/Crane operator for events including marathons, political events, live concerts, and OBs like Today Show (Nine Network), Sunrise (7 Network), Anzac Specials, and corporate events. Proficient with major OB/event cameras and lenses, capable of operating even without CCU control when necessary.

Tony is also an experienced live multi-cam director and vision switcher, with expertise in high-profile events and outside broadcasts. He is skilled in multicamera design coverage, large installations, switching for multiple streams, and coordinating large teams for seamless broadcast. Tony is proficient with various broadcast-level lenses, cameras, and switchers, including Grass Valley, Ross, Blackmagic, and Roland multiple MEs.

MUSIC VIDEOS & PROMOS

Tony has have extensive experience working with artists and management on music video and music promotion production. In the early 1990s, he focused on creative production with directors across a wide variety of music videos, many of which received awards. This experience helped me gain proficiency in lighting 16mm and 35mm film and managing large-scale crews, which I later applied to high-end drama production.

I have shot promos for bands like Powderfinger, Regurgitator, Aneiki, George, Tony Lee Scott, and many other artists at various budget levels. I've worked with labels such as Universal Music, Sony Music Australia, Warner Music, Anvil Records, Mushroom, Festival Music, and numerous independents.
