# CAMERA OPERATOR

---

## PROFESSIONAL PROFILE

---

With 17 years of experience in the camera department on Australian and international productions, I am now building my career as a Camera Operator. My background has provided an exceptional technical foundation, refined operating instincts and a collaborative approach to visual storytelling. Having worked alongside some of the industry's leading cinematographers and operators, I bring professionalism, technical expertise and a calm, solutions-focused mindset to every production.

## EQUIPMENT EXPERIENCE

GPI Pro Steadicam kit with Volt  
Telescopic crane experience.  
Remote head experience.  
Geared head proficient.
